Dear Ash Street Cooperative Members:

Effective May 1, 2021, Kirkpatrick Management Company will replace Legacy LLC as our new managing agent for Ash Street Cooperative. As a result of this change, Domuso will no longer be available to electronically remit your carrying charges. Carrying Charges for May, 2021 will need to be submitted to the office in one of the following forms: Personal Check, Money Order or Cashier's Check. Please also cancel any automatic payments you may have set up in the Domuso system.

Once Kirkpatrick Management has established operating accounts for Ash Street Cooperative, electronic payments will resume. We anticipate this will be available by June and further data will be provided.

Kirkpatrick Management has also sent a letter out to the membership as an introduction to their services.

Sincerely,

Ash Street Cooperative Board of Directors
